NOTICE TO RESPONDENT

ANY KNOWING VIOLATION OF A STALKING NO CONTACT ORDER IS A CLASS A MISDEMEANOR. ANY SECOND OR SUBSEQUENT VIOLATION IS A CLASS 4 FELONY.

NOTICE TO LAW ENFORCEMENT AGENCIES AND OFFICERS

Any law enforcement officer may make an arrest without warrant if the officer has probable cause to believe that the person has committed or is committing a violation of a stalking no contact order. (740 ILCS 21/130(a))

FINDINGS [Emergency Order]

☒ **The Court** finds that good cause exists for granting the remedy regardless of prior service of process or notice upon the Respondent, because the harm which that remedy is intended to prevent would be likely to occur if Respondent were given any prior notice or greater notice than was given, of Petitioner's efforts to obtain judicial relief.

FINDINGS [Jurisdiction]

The court finds that Respondent:

☐ has been served with process and notice pursuant to statute.
☐ has entered an appearance in this case.
☐ is present in court, in person, and/or with counsel, _____
☐ is in default.
☐ has filed an answer.

☐ Finding that Petitioner has diligently attempted to complete service of process, has not been able to serve Respondent, and has given notice by publication (service completed 30 days after the first of three publication notices) Reasonable efforts to accomplish actual service has been shown by evidence or affidavit (740 ILCS 21/60 (c)).

FINDINGS [General]

In granting the following remedies, the Court has considered all relevant factors, including but not limited to the nature, severity and impact on the Petitioner of Respondent's two or more acts of following, monitoring, observing, surveilling, threatening, communicating or interfering or damaging property or pets of Petitioner, including Respondent's concealment of his/her location in order to evade service of process or notice, and the likelihood of danger of future acts of following, monitoring, observing, surveilling, threatening, communicating or interfering or damaging property or pets of the party to be protected.

The Court further finds that:

☒ Venue is proper (740 ILCS 21/55).
☒ Upon examination of the Verified Petition, Petitioner under oath, and other evidence, Petitioner is a victim of two or more acts of following, monitoring, observing, surveilling, threatening, communicating, or inferring or damaging to property or pets by Respondent.
☒ The victim is unable to bring this Petition on his/her own behalf due to age, health, disability, or inaccessibility (740 ILCS 21/15(b)).
☐ The parties stipulate to a factual basis for the issuance of a Stalking No Contact Order.

IT IS ORDERED THAT:

1. ☒ Respondent is prohibited from threatening to commit or committing stalking personally or through third party.

2. ☒ That the Respondent may not contact the Petitioner in any way, directly, indirectly or through third parties, including, but not limited to, phone, written notes, mail, email, or fax.

3. ☒ That the Respondent be ordered to stay at least 500 feet away from the Petitioner, and Petitioner's residence, school, daycare, employment and any other specified place. That Respondent be prohibited from entering or remaining at the Petitioner's:

   ☒ place of residence, located at _____

   _____

   ☒ place(s) of employment, located at 225 E Main St, Cerro, IL

   _____

   ☐ school(s) or daycare(s), located at _____

   _____

   ☐ and any of the following specified places, when Petitioner is present:

   _____

4. ☐ Respondent is prohibited from possessing a Firearms Owners Identification Card, or possessing or buying firearms.

5. ☐ Other injunctive relief as follows:

   _____

   _____

If petitioner is requesting costs and/or attorney fees, petitioner shall file a motion and itemized bills and invoices within 30 days of this order.

This order can be extended upon notice filed in the office of the Clerk of this Court and a hearing held **prior to the expiration of this Order**. NOTE: To ensure adequate time for a hearing, it is recommended that Petitioner seek an extension at least 3 weeks prior to the expiration of this order.

Petition for Stalking No Contact Order - Allegations Continued...

At that time, we hurried into the Council Room.

On both of these occasions, I have been fearful for my safety. I believe the Respondent is willing to cause me bodily harm based on his verbal and physical demeanor towards me on both of these occasions. The Respondent has yelled at me on multiple occasions in a tone which I feel is threatening.

On the November 13, 2026 incident, had the Courthouse Security officer Sutton not crossed the street when he saw ~~Mr. Rudolph~~ the Respondent approaching us as we crossed the street, I believe the Respondent would have caused bodily harm to me and others in the group due to his aggressive nature and the way he aggressively approached us.

Incident # 2609020030

Title Inv. Moore Supplemental

Reported 09/04/2026 11:38 Friday

On September 2nd, 2026, R/O (Investigator Joshua D. Moore #33) became aware that Officer Beam had taken a report in reference to this incident. R/O contacted Carmi IT employee Jason Eaton and requested that Eaton download the relevant footage and burn it to DVD for R/O.

On September 3rd, 2026 when reporting for duty, R/O found a DVD on R/Os desk that contained security camera footage from Carmi City Hall.

At approximately 10:00a.m., R/O obtained from the White County Sheriff's Department a DVD containing security camera footage and a DVD containing a recording of a dispatch call made on 9-1-26 from Landon "Rudy" Rudolph to White County Dispatch reporting a reckless driver.

At approximately 3:24p.m., R/O spoke with Landon Rudolph on the police department phone line. R/O explained to Rudolph that R/O had seen a call for service in reference to a reckless driving report he had made to White County Dispatch. R/O asked Rudolph what the situation was and informed him that the other parties had made a report to law enforcement that he was the reckless driver. Rudolph stated that he was sure they did that due to him posting a video trying to identify the occupants of the vehicle. Rudolph stated that he tried to let it go. R/O asked Rudolph to walk R/O through what happened. Rudolph stated that he was sitting on his bike and a couple of people had come up to talk to him. Rudolph stated that his bike was old, loud, and "crap." He stated that a Jeep goes by and it did not even click with him in the moment that the people were leaving the meeting. Rudolph stated the driver smiled at him and made a weird face. Rudolph stated that he started his bike up and went to "get out of there quick" and stated that you have to rev his bike up when you start it, otherwise it will quit. Rudolph states that he's right behind them as they go to leave. Rudolph said the vehicle stopped at the green light and he thought he honked his horn on his bike. They proceed to turn right going down Main Street. Rudolph stated that he was unsure if they actually brake-checked him or had let off of the accelerator but they were going slow. Rudolph stated that he remembered thinking that the people were going to slam on their brakes and cause an accident. Rudolph stated that this is where he did something that he probably shouldn't have done, as he went to the right and passed the vehicle because he felt like he was in danger with them in front of him for the potential of them brake-checking him due to what he was going with the meetings. Rudolph says he goes around them and proceeds to the front of the middle school where he knew there were cameras. Rudolph stated that he got his phone out and began recording in case they stopped and confronted him. He stated they continued going so he left and ultimately called dispatch. Rudolph stated he just thought it was someone who didn't like him for what he was doing. After speaking with Rudolph, the call was terminated.

On September 4th, 2026, R/O reviewed the video footage from City Hall. The first video clip shows a view of the parking lot to the rear of City Hall. The video starts with multiple people outside after the Carmi City Council meeting on September 1st, 2026. R/O identified Healy's vehicle parked on the far left side of the video frame and Rudolph on the far right side of the video frame. R/O notes that Healys identifed their vehicle as a black in color Jeep Compass and Rudolph is riding a white motorcycle. R/O viewed Healy's vehicle begin traveling eastbound in the alley behind City Hall travelings towards Main Cross Street. As Healy's vehicle leaves camera view, Rudolph pulls into the alley traveling eastbound towards Main Cross Street. R/O notes that there is no audio on this video file and that R/O was unable to see any further driving behavior from this view to the camera positioning and an awning obstructing any further view.

Title *Inv. Moore Supplemental*

Reported *09/04/2026* *11:38* *Friday*

The next video file R/O viewed from City Hall was identified as "Tube East" and is situated facing Main Street pointing to the east. At the 5:53:20 time stamp an orange, smaller sized SUV/Hatchback can be seen proceeding south from Main Cross Street before turning eastbound on to Main Street. At approximately the 5:53:34 time stamp, Healy's vehicle can be seen turning from Main Cross Street westbound on to Main Street with Rudolph following behind them. R/O was able to pause the video as the Healy vehicle exited the crosswalk area and as Rudolph was entering the crosswalk. R/O used a department issued measuring wheel to obtain an estimated widgth of the crosswalk and was able to get a measurement of approximately 8 feet 10 inches. Based on the appearence of the vehicle locations being skewed and offset slightly from each other and the approximate width of the crosswalk, at this point it appears that there would be approximately slightly over 9 feet of space between the two vehicles. The two vehicles appear to maintain a similar distance as they leave the frame.

Next, R/O viewed the "Tube West" video file. This view shows Main Street and points westbound. This view shows Healy's vehicle enter the frame traveling westbound on Main Street in front of City Hall with Rudolph behind the vehicle. Healy's vehicle appears to be driving at a slow speed and Rudolph passes Healy's vehicle using the right hand shoulder/parking spaces. R/O did not see the Healy vehicles brakelights activate in this video clip.

R/O then viewed the video from inside the tube room. R/O was not able to see any relevant movement of the vehicles from this view, however, R/O was able to hear a horn honk twice and Rudolph's motorcycle accelerate.

Next, R/O viewed the video footage from the White County Sheriff's Office. In the footage, R/O was able to identify the orange colored hatchback previously viewed traveling south on Main Cross Street towards Main Street where it comes to a stop at the traffic light indicating that the light was red at the time. While this vehicle is stationary at the stop light, the Healy vehicle and Rudolph begin their exit from the parking lot. The Healy vehicle comes to a stop emerging from the alleyway as required under 625 ILCS 5/11-1205 prior to entering the roadway. As Healy and Rudolph enter the roadway, the orange vehicle proceeds to turn left on to Main Street indicating that the light has turned green. R/O notes that R/O was not able to see the traffic light colors and the assessment of color was based on vehicle traffic at the time. The Healy vehicle while traveling south on Main Cross Street appears to have the brakelights come on and it comes to a brief stop before entering Main Street. Both Healy's and Rudolph then are seen traveling westbound on Main Street before they leave the frame.

Lastly, R/O reviewed the recording of Rudolph's call to WCSO Dispatch on the date of the incident. In the call, Rudolph calls to report a "dumb" driver. Rudolph identifies the vehicle stopping at a green light then brakechecking him twice causing him to go around them on the right. Rudolph stated that he did not wish to make an official report and he just wanted to notify dispatch. Rudolph identified it as a black Jeep with PDHHRA4. R/O notes it was difficult for R/O to understand exactly what the plate was identified as in the recording but the above is what it sounded like Rudolph advised dispatch.

R/O downloaded the CPD call recording with Rudolph and copied it to DVD to be included with the case file.
